WINE FESTIVALS GUIDE

Bourgogne and its five wine-producing regions

Get in the festive mood with the people of the Bourgogne region

In the Bourgogne region, we have much more than just wine to share: There is a whole lifestyle to explore.

Take the Grande Route des Vins de Bourgogne, or wine trail, and let yourself be carried along by ***wine-related festivities****. From Chablis to Mâcon, you have the choice of around 100 events throughout the year.*

These gastronomic and cultural gatherings, which all have wine as a common theme, are a tribute to the conviviality and festive spirit of the local people. In keeping with the four seasons in the vineyards and wineries, come and share some moments of discovery and pleasure around the wines of Bourgogne. Theaters, concerts, street arts, gourmet trails, exhibitions - ***there's something for everyone****, from the unusual to the most ceremonial events.*

Drink responsibly.

To ensure that wine is enjoyed in moderation during festivities, organizers are making sure that tasting events take place in the right conditions, seeking a permanent balance between conviviality and public health and safety.

Wine festivities are thus a good occasion to inform consumers and raise awareness about responsible drinking, such as teaching how to "spit" wine during a tasting, and to distribute educational materials to younger attendees.
